ZONING ADMINISTRATOR REPORT

Mrs. Kelley presented her report. There were five housing permits and one commercial last month. The Zoning Commission and the Board of Appeals will be meeting together with our Board of Trustees on February 15th.

There has been a notification from residents as well as from the fire department that there is a street in Woodbury Glen called Glenwood Court and a street in Braxton Park named East and West Glenwood Court. Because of the similar names, there have been problems with deliveries and emergency calls going to the correct place. The street on Woodbury Glen will possibly be changed to Fern Haven Lane. There was discussion concerning another street that may need some changes also.

Mr. Cornett asked if we could have some new codes put into place such as nuisance or safety codes.

Fred Ross from Stonelick-Olive Branch Road asked several questions. One was concerning a neighbor who had a tragic fire involving a shed. He also asked if the Township intends on taking a position concerning the Batavia Village annexing Clermont College. Mr. Cornett replied the Township has not taken a stand for or against the annexation. Mr. Sauls commented the Trustees have no legal position to make the ruling.

There were six bids. Mr. Parsons opened the bids and gave the details to the Trustees. The decision will be made at the workshop meeting.
